

MonoBehaviour

```
graph BT; BasicAbility --> Ability; Ability --> MonoBehaviour
```

The diagram illustrates a vertical hierarchy of three concepts. At the base is 'BasicAbility', which points up to 'Ability', which in turn points up to 'MonoBehaviour'. Each concept is enclosed in a rectangular box with a thick black border. The text is in a black serif font. The boxes are stacked vertically with equal spacing between them. Arrows are positioned between the boxes, pointing from the lower box to the upper box.

Ability
